THE PRAYER & REFLECTION GARDEN

We are excited about the installation of our prayer & reflection garden! This is going to be a beautiful space for all to reflect on the blessings God provides.

Phase 1 of the garden is complete. Over 600 perennials were planted last October and the funds have been raised to add granite benches, Beatitude pavers, a trellis and a bubbling water fountain in the spring. Additionally, parishioners have purchased nearly 400 bricks to place along the border of the winding path.

Your help is needed to lay the bricks in May as well as help with the maintenance of the garden through the summer. Please contact us if you have some time you'd like to spend in our garden!

FORMATION MINISTRIES

There are also many adults seeking someone to accompany them on their faith journeys. Your love for God, your own faith journey, and your witness can be a beautiful example for others in our church. Consider volunteering as a catechist or help support our Faith Formation in other areas as we work to grow disciples in our parish.
